UGANDA, AFRICA

Uganda is a beautiful country with natural beauty and amazing wildlife and attracts many tourists around the world to experience it. We also realize that the needs are tremendous and the resources are a few in many locations.

We are excited to partner with Damascus Road ministries and Rick Goodspeed to meet those needs! While in Uganda we will be doing a combination of kids ministry and construction projects with a local orphanage as well leadership training with leaders in the local church. Our mission is to bring hope to the hurting through the Gospel of Jesus Christ.
