DALLAS, TEXAS

Dallas is one of the largest cities in the nation. It's well known for its financial affluence and as a result, its shopping and dining scenes are among the best in the country. There is another side to Dallas however, and that is the poor and marginalized. They are often overlooked and forgotten but Cornerstone Baptist Church has not forgotten them!

Cornerstone Baptist has a community kitchen that feeds the homeless in the neighborhood as well as free medical and dental services for those in need. Pastor Chris Simmons and his ministry team make a concerted effort to reach their city with help and hope.

There are various types of activities you will be involved in on each trip, such as, homeless outreach, kids-ministry, prayer walks, food and clothing distribution, service and work projects, adopt-a-block, worship, and much more.

Our goal is to bring the Gospel of Jesus Christ to Dallas and give hope to the hurting!
